

CITY COUNCIL COMMUNICATION

MEETING DATE: January 23, 2024

ITEM NUMBER: {{item.number}}

SECOND READING:

{{customfields.ResoOrdNumber}}

TYPE OF ITEM: Informational

PRESENTED BY:

Monica Bortolini, Public Works, Monica.Bortolini@longmontcolorado.gov

SUBJECT/AGENDA TITLE:

Annual Multi Hazard Mitigation Plan Update

EXECUTIVE SUMMARY:

The federal government requires a community to have a State and Federally approved Hazard Mitigation Plan to be eligible for federal grant money including Building Resilient Infrastructure and Communities (BRIC), Flood Mitigation Assistance (FMA), Hazard Mitigation Grant Program – including fire (HMGP) and Pre-Disaster Mitigation (PDM) grants. The Community Rating System (CRS) program requires an Annual Update of the Hazard Mitigation Plan. All activities listed in the plan adopted by Council in June of 2022 were updated regarding action status and the potential for requesting federal grant money during 2024. Out of a total of 20 potential projects listed, one is complete (Stormwater Master Plan) and 3 were removed from the list (Expand the City of Longmont CERT Program, Channel Improvements on St. Vrain Creek at 119th Street and the Airport Road Flood Protection Project). Out of the remaining 16 projects, 4 projects may submit for federal grant funding, Fire Mitigation at Button Rock Preserve, Upgrade Power System Protection, Power Grid Modernization and Stormwater System Improvements within the next year or 2 years. The Hover Road reach of the RSVP project is still waiting for grant confirmation. The rest of the projects listed plan to use City funds by going through the City’s budget planning process.

COUNCIL OPTIONS:

1. Accept the annual update as prepared
2. Ask Staff for additional information
3. Reject the annual update

RECOMMENDED OPTIONS:

Accept the annual update.

FISCAL IMPACT & FUND SOURCE FOR RECOMMENDED ACTION:

CITY COUNCIL COMMUNICATION

The annual update was prepared using staff time only. Requests for funding for individual projects are discussed in the report.

BACKGROUND AND ISSUE ANALYSIS:

This is the annual update (2023) to the Boulder County Hazard Mitigation Plan adopted by Council in June of 2022.
