

INTERGOVERNMENTAL AGREEMENT FOR GENERAL ADMINISTRATION SERVICES

THIS AGREEMENT, effective 1st day of January, 2024, notwithstanding the date of execution, by and between the Longmont General Improvement District No. 1 (District), and the Longmont Downtown Development Authority (DDA).

RECITALS

The DDA has been formed, pursuant to ordinance adopted by the City Council of the City of Longmont (City) and the affirmative vote of a majority of the qualified electors within the boundaries of the DDA, for the purpose of stimulating the improvement and redevelopment of the downtown area of Longmont. The District lies wholly within the boundaries of the DDA and generally consists of what is commonly known as the "Heart of Longmont." The DDA intends to devote a considerable amount of its time and efforts toward projects within the boundaries of the District, and the parties believe that it is in their mutual interests that the DDA perform the general administrative duties of the District. The parties believe that the provisions of the Agreement, hereinafter set forth, will avoid duplication of effort and expenditure, will be in the best interest of the District, and will promote the general welfare of the District. It is expressly understood and agreed that all services compensated for under this Agreement are to expressly benefit the taxpayers and territory within the jurisdiction of the District.
