Matching contributions of 20% (cash or in-kind) of the total cost of each VOCA project (VOCA project = VOCA grant plus match), are required for each VOCA-funded project and must be derived from non-federal sources, except as provided in the DOJ Grants Financial Guide, effective edition (Part III. Post Award Requirements, Chapter 3. Matching or Cost Sharing). All funds designated as match are restricted to the same uses as the VOCA victim assistance funds and must be expended within the grant period. Match must be provided on a project-by-project basis. Any deviation from this policy must be approved by the federal Office for Victim of Crime.
5. **Volunteers:** Programs are required to use volunteers in order to be eligible to receive VOCA funds. The state may waive this requirement, provided the programs submits written

3. Grantee agency must notify DCJ immediately in writing, in the method determined by DCJ of:
 - any CVS grant funded personnel changes;

The ultimate goal of a this victim services project would be to empower victims of crime on their healing journey. This can be achieved through a few key objectives:

- **Providing Safety and Support:** The most immediate need for victims is often safety and emotional support. This project would aim to create a safe space where victims feel comfortable seeking help and accessing resources.
- **Empowerment and Advocacy:** Victims can feel powerless after a crime. This project would work to empower victims by providing them with information about their rights, legal options, and available resources to help them regain control of their lives.
- **Healing and Recovery:** The emotional impact of crime can be significant. This project would connect victims with mental health services and support groups to facilitate healing and recovery.
- **Increased Access to Justice:** CVS Project can help victims navigate the legal system and ensure they have a voice in the criminal justice process.
- **Reduced Risk of Revictimization:** This project can provide resources and support systems to help lower the risk of victims experiencing future crimes. By focusing on these objectives, the victim services project can play a vital role in helping victims rebuild their lives after a crime.
- **Building an Inclusive Safety Net: Reaching Underserved Victims in Longmont**
- **Envisioning an Inclusive Response:**The Longmont Department of Public Safety Victim Services Unit is committed to providing a safe and supportive environment for all victims of crime in our community. Recognizing the unique needs of our diverse population, we are particularly focused on increasing engagement with Hispanic/Latino survivors, LGBTQ community and those experiencing homelessness.
- **Measuring Progress, Amplifying Voices:**To achieve this goal, we will utilize a multi-pronged approach that emphasizes feedback and data collection.
- **Enhanced Surveys:** We will continue offering surveys in English and Spanish, with the addition of optional demographic questions. This will allow us to identify trends and service gaps impacting specific demographics.
- **Increased Accessibility:** A new introductory letter accompanies our surveys, outlining various ways to provide feedback - phone, email, text, online, or paper survey - to cater to individual preferences.
- **Online Reporting System:** Our agency is developing online complaint and compliment forms, accessible in both English and Spanish, to streamline the feedback process for the community.

4. GENERAL CONDITIONS**A. Requirements of the award; remedies for non-compliance or for materially false statements**

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

OJP Awards Only: Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Federal Awards issued from 2022 Federal Grant Funds

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Division of Criminal Justice (DCJ), Office of Justice Programs ("OJP") or Office on Violence Against Women ("OVW") taking appropriate action with respect to the recipient and the award. Among other things, the Department of Justice "DOJ" may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, and DCJ also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

B. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2022 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2022 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2022 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.334.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact DCJ promptly for clarification.

Federal Awards issued from 2022 Federal Grant Funds**C. Compliance with DOJ Grants Financial Guide**

The recipient agrees to comply with the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance. References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance.

D. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to DOJ awards (that is, DOJ grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

E. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements

F. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify DCJ in writing of the potential duplication, and, if so requested by DCJ, must seek a budget-modification and change-of-project to eliminate any inappropriate duplication of funding.

G. Requirements related to System for Award Management and Universal Identifier Requirements/Unique Entity Identifiers

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/SAM/>. This includes

Federal Awards issued from 2022 Federal Grant Funds

applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

DCJ must comply with applicable restrictions on subawards Grantees, including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of DCJ's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

H. Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must—
 - a. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1).
 - b. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both —
 - (1) this award requirement for verification of employment eligibility, and
 - (2) the associated provisions in 8 U.S.C. 1324a(a)(1) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.
 - c. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1).
 - d. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

Federal Awards issued from 2022 Federal Grant Funds

4. Rules of construction

a. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

b. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

c. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

d. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

e. Nothing in this condition, including in paragraph 4.b., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to DCJ, before award acceptance.

I. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "Personally Identifiable Information (PII)" (2 CFR 200.79) within the scope of an DOJ grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an DOJ Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

Federal Awards issued from 2022 Federal Grant Funds

J. All subawards ("subgrants") and contracts must have DCJ authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must receive approval from DCJ prior to issuing a subaward or a procurement contract under this award.

K. Specific post-award approval required to use a noncompetitive approach in any procurement contract

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP or OVW considers a procurement "contract" (and therefore does not consider a subaward).

L. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and DOJ or DCJ authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> and the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and DOJ authority to terminate award)), and are incorporated by reference here.

M. Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the recipient, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> and OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

N. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

Recipients of OVW grant dollars only: Additional information on the pertinent to this award appears on the OVW website at <https://www.justice.gov/ovw/conference-planning>.

O. Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to DCJ and/or DOJ in the manner (including within the timeframes) specified by DCJ in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

P. Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with DOJ award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm>, or the OVW Training Guiding Principles for Grantees and Subgrantees, available at <https://www.justice.gov/ovw/resources-and-faqs-grantees#Discretionary>.

Q. Effect of failure to address audit issues

The recipient understands and agrees that the DCJ or the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DCJ or DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

R. Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DCJ during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DCJ high-risk grantee list.

Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

V. Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds awarded by DOJ may not be used by the grantee, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Recipients of OVW grant dollars only:

The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of

Federal Awards issued from 2022 Federal Grant Funds

information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by DOJ from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact DCJ for guidance, and may not proceed without the express prior written approval of DCJ and the DOJ awarding agency (OJP or OVW, as appropriate).

W. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2022)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2022, are set out at <https://ojp.gov/funding/Explore/FY22AppropriationsRestrictions.htm>, <https://www.justice.gov/ovw/award-conditions>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact DCJ for guidance, and may not proceed without the express prior written approval of DCJ.

X. Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW,

Federal Awards issued from 2022 Federal Grant Funds

Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <http://www.usdoj.gov/oig>.

Y. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient —
 - a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both --
 - a. it represents that--
 - (1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to

Federal Awards issued from 2022 Federal Grant Funds

prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

- b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

Z. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the grantee is to contact the DCJ for guidance.

AA. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

BB. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency

If the recipient is designated "high risk" by a federal grant-making agency, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to DCJ. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following:

1. The federal awarding agency that currently designates the recipient high risk,
2. The date the recipient was designated high risk,
3. The high-risk point of contact at that federal

Federal Awards issued from 2022 Federal Grant Funds

awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency

CC. Right to examine documents

The grantee, and any subrecipient ("subgrantee") at any tier, must authorize the DCJ or DOJ awarding agency (OJP or OVW, as appropriate) and/or the Office of the Chief Financial Officer (OCFO), and its representatives, access to and the right to examine all records, books, paper, or documents related to this grant.

DD. Maintaining contact information

The grantee acknowledges that it is responsible for maintaining updated contact information in the Grants Management System (GMS). To update information in GMS for either the point of contact and/or the authorized representative, the grantee must submit a Change in Project Officials (DCJ Form 4-B).

EE. Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this DOJ award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of DOJ awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at <https://ojp.gov/funding/FAPIIS.htm> and OVW web site at: <https://www.justice.gov/ovw/award-conditions> (Award Condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

FF. Cooperating with DOJ Monitoring

The recipient agrees to cooperate with DCJ and DOJ monitoring of this award pursuant to DCJ and DOJ's guidelines, protocols, and procedures, and to cooperate with DCJ and DOJ (including the grant manager for this award and the Office of Chief Financial Officer (OCFO)) requests related to such monitoring, including requests related to desk reviews and/or site visits. The recipient agrees to provide to DCJ and DOJ all documentation necessary for DCJ and/or DOJ to complete its monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by DCJ and/or DOJ for providing the requested documents. Failure to cooperate with DCJ and/or DOJ's monitoring activities may result in actions that affect the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to award funds; referral to the DOJ OIG for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

Federal Awards issued from 2022 Federal Grant Funds

GG. Required monitoring of subawards

The recipient must monitor subawards under this award in accordance with all applicable statutes, regulations, award conditions, and the DOJ Grants Financial Guide, and must include the applicable conditions of this award in any subaward. Among other things, the recipient is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of award funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.

HH. Safe policing and law enforcement subrecipients

If this award is a discretionary award, the recipient agrees that it will not make any subawards to State, local, college, or university law enforcement agencies unless such agencies have been certified by an approved independent credentialing body or have started the certification process. To become certified, law enforcement agencies must meet two mandatory conditions: (1) the agency's use of force policies adhere to all applicable federal, state, and local laws; and (2) the agency's use of force policies prohibit chokeholds except in situations where use of deadly force is allowed by law. For detailed information on this certification requirement, see <https://cops.usdoj.gov/SafePolicingEO>.

Please contact your grant manager if you have any questions regarding subawards and procurement contracts under this award.

This detailed guidance is designed to help grantees better understand how OJP will categorize an agreement by an OJP award recipient with an outside entity for purposes of the federal grants administrative requirements. It is important that each OJP grantee have a full understanding which (if any) of its actions (for purposes of OJP and other federal grants administrative requirements) are "subawards", and which are "procurement contracts under an award." **The substance of the relationship should be given greater consideration than the form of agreement between the recipient and the outside entity.**

Whether an action – for federal grants administrative purposes – is a subaward or procurement contract is a critical distinction as significantly different rules apply to subawards and procurement contracts. If a grantee enters into an agreement that is a subaward of an OJP award, specific rules apply – many of which are set by federal statutes and DOJ regulations; others by award conditions. These rules place particular responsibilities on an OJP recipient for any subawards the OJP recipient may make. The

Federal Awards issued from 2022 Federal Grant Funds

rules determine much of what the written subaward agreement itself must require or provide. The rules also determine much of what an OJP recipient must do both before and after it makes a subaward. If a grantee enters into an agreement that is a procurement contract under an OJP award, a substantially different set of federal rules applies.

For grant recipients with subawards, key compliance requirements include the following:

- Having specific federal authorization prior to entering into any subaward under the award.
- Requiring subawardee compliance with 2 C.F.R. Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
- Requiring progress and financial reporting.
- Collection of performance data from the subawardee
- Monitoring subawardees
- Reporting subawards (over \$30,000) as required by the Federal Funding Accountability and Transparency Act (FFATA).

Post-Award Requests for Subaward Authorization

- For grantees with procurement contracts, key compliance requirements include the following:
- The grantee must comply with the Procurement Standards of 2 C.F.R. Part 200 and provide for full and open competition.
- A procurement contract must include all applicable contract provisions set out in Appendix II of 2 C.F.R. Part 200.
- All noncompetitive (sole source) procurements must comply with the requirements outlined in 2 C.F.R. 200.
 - Sole source procurements that do not exceed the Simplified Acquisition Threshold (currently \$250,000) must have written justification for the noncompetitive procurement action maintained in the procurement file. If a procurement file does not have the documentation that meets the criteria outlined in 2 C.F.R. 200, the procurement expenditures may not be allowable.

All Sole source procurement must be approved by DCJ.

JJ. Authorized Official

The grantee understands that, in accepting this award, the Authorized Representative declares and certifies, among other things, that he or she possesses the requisite legal authority to accept the award on behalf of the recipient entity and, in so doing, accepts (or adopts) all material requirements that relate to conduct throughout the period of performance under this award. The recipient further understands, and agrees, that it will not assign anyone to the role of Authorized Representative during the period of

Federal Awards issued from 2022 Federal Grant Funds

performance under the award without first ensuring that the individual has the requisite legal authority.

5. FINANCIAL REQUIREMENTS**A. Non-supplantation**

The recipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

Supplanting arises when a Recipient reduces non-federal funds for an activity specifically because federal funds are available (or are expected to be available) to fund that same activity. Federal funds must be used to supplement existing State or local funds for program activities, and may not replace (that is, may not "supplant") State or local funds that have been appropriated or allocated for the same purpose. Additionally, federal funding may not replace State or local funding that is required by law.

When supplanting is prohibited, potential supplanting will be the subject of DCJ monitoring and audit. Should a question of supplanting arise, the grantee will be required to substantiate that any reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.

B. Misuse of award funds

The recipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

C. Limitation on use of funds to approved activities

The recipient agrees that grant funds will be used only for the purposes described in this award. The grantee must not undertake any work or activities that are not described in this award, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval from DCJ.

D. Consultant compensation rates

The recipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to DCJ a detailed justification and have such justification approved by DCJ, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, recipients are required to maintain documentation to support all daily or hourly consultant rates.

E. Limit on use of grant funds for grantees' employees' salaries

With respect to this award, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive

Federal Awards issued from 2022 Federal Grant Funds

Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)

This limitation on compensation rates allowable under this award may be waived on an individual basis at the discretion the DCJ via DOJ.

6. CIVIL RIGHTS REQUIREMENTS ASSOCIATED WITH DOJ AWARDS

The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Section 504 of the Rehabilitation Act of 1973, require recipients of federal financial assistance to give assurances that they will comply with those laws. Taken together, these civil rights laws prohibit recipients of federal financial assistance from DOJ from discriminating in services and employment because of race, color, national origin, religion, disability, sex, and, for grants authorized under the Violence Against Women Act, sexual orientation and gender identity. Recipients are also prohibited from discriminating in services because of age. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with DOJ awards, see <https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm>.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEO requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28C.F.R. §§ 42.204(c), .205(c)(5).

The OCR is available to help you and your organization meet the civil rights requirements that are associated with DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to contact the OCR at askOCR@ojp.usdoj.gov.

The Grantee hereby agrees that it will comply, and all of its subrecipients (“subgrantees”) will comply, with the applicable provisions of:

A. Civil rights laws and nondiscrimination provisions

States and units of local government, public and nonprofit institutions of higher education, nonprofit organizations, for-profit businesses, and other recipients of DOJ grants may be subject to various federal civil rights laws for reasons *other than* their receipt of DOJ funds. Some examples include federal civil rights laws related to discrimination on the basis of race, color, national origin, sex, religion, or disability.

Federal Awards issued from 2022 Federal Grant Funds

Because a DOJ award is a form of "federal financial assistance," the recipients of a DOJ award (and any "subrecipient" at any tier) must comply with additional civil-rights-related requirements above and beyond those that otherwise would apply.

In general, these additional requirements fall into one of two categories:

1. Civil rights laws (sometimes referred to as "cross-cutting" federal civil rights statutes). These apply to essentially any entity that receives an award of federal financial assistance -- regardless of which federal agency awards the grant or cooperative agreement -- and encompass the "program or activity" funded in whole or in part with the federal financial assistance.
2. Nondiscrimination provisions. These are requirements or restrictions that apply to certain OJP or OVW awards -- in addition to the civil rights laws -- because they are set out in a statute that applies specifically to one or more particular OJP or OVW grant programs, or to OJP or OVW awards made under a particular legal authority. Much like the civil rights laws, these provisions apply variously to the programs, activity, or undertaking funded in whole or in part by OJP or OVW, and are described herein.
 - a. Such nondiscrimination provisions apply to some, but not all, OJP or OVW grant programs.
 - b. The nondiscrimination provisions that apply to an OJP or OVW award (above and beyond the requirements in "cross-cutting" civil rights laws) may vary from award to award, even for awards made during the same fiscal year.
 - c. Typically, no more than one of these nondiscrimination provisions will apply to any particular OJP or OVW award.

General information on the civil rights laws that apply to every OJP or OVW award, and on the nondiscrimination provisions that apply to some OJP or OVW awards, is available at <https://ojp.gov/about/ocr/statutes-regulations>.

NOTE: As discussed in more detail below, if a civil rights law or nondiscrimination provision prohibits discrimination in employment on the basis of religion, the prohibition is read together with the provisions of the Religious Freedom Restoration Act of 1993.

B. Civil rights compliance: Access to services and benefits by individuals with limited English proficiency

Compliance with the civil rights laws entails, among other things, taking reasonable steps to ensure that individuals with limited English proficiency (LEP) have meaningful access to DOJ-funded programs or services. An individual with limited English proficiency is one whose first language is not English and who has a limited ability to read, write, speak, or understand English. To assist recipients of DOJ awards in meeting their obligations with respect to such individuals, DOJ has published a guidance document, available on the LEP.gov website.

Federal Awards issued from 2022 Federal Grant Funds**C. Certification**

Each grantee by accepting this award, certifies that it will comply (and it will require any subrecipient at any tier to comply) with applicable civil rights laws and nondiscrimination provisions. An additional DCJ Form 30, will be required prior to the disbursement of any funds.

D. Nondiscrimination provisions and the Religious Freedom Restoration Act

As noted earlier, a nondiscrimination provision that deals with discrimination in employment on the basis of religion is read together with the pertinent provisions of the Religious Freedom Restoration Act of 1993. As a result, even if an otherwise-applicable nondiscrimination provision states that a grantee or subrecipient may not discriminate in employment based on religion, a DOJ recipient or subrecipient that is a faith-based organization may consider religion in hiring, provided it satisfies particular requirements.

An DOJ recipient that is a faith-based organization and that seeks to consider religion in hiring despite an applicable nondiscrimination provision must properly execute and submit to DCJ a specific formal certification to DCJ to the effect that--

1. The grantee is a religious organization that sincerely believes that providing the programs or services funded by the DOJ award is an expression of its religious beliefs, that employing individuals of particular religious belief is important to its religious exercise, and that having to abandon its religious hiring practice to receive federal funding would substantially burden its religious exercise.
2. The grantee will not discriminate against beneficiaries (or prospective beneficiaries) of the programs or services funded by the DOJ award on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.
3. The grantee will keep any explicitly religious activities separate in time or location from programs or services funded by the DOJ award.
4. The grantee will not require beneficiaries (or prospective beneficiaries) of programs or services funded by the DOJ award to attend or participate in any explicitly religious activities. Any such participation will be purely voluntary.

To make the required certification, an appropriate, authorized official of the grantee organization must execute the [Certification Regarding Hiring Practices on the Basis of Religion](#) on behalf of the grantee. A copy of the executed certification must be submitted to DCJ. The grantee must retain the signed original on file as part of its records for the DOJ award.

An DOJ recipient that executes and submits a certification that satisfies these requirements ordinarily may consider religion in hiring. Different rules may apply, however, if there is good reason to question the truthfulness of the certification, or if DCJ determines that it is necessary to restrict the recipient from considering religion in hiring to further a compelling government interest. (If DCJ makes such a determination, the

Federal Awards issued from 2022 Federal Grant Funds

DCJ may impose limitations that represent the least restrictive means of furthering the compelling government interest.)

The rules that apply to subrecipients of DOJ awards that are faith-based organizations are similar, except that the subrecipient is to submit the required certification to the grantee.

E. Overview of "Civil Rights Laws"

Important "civil rights laws" that apply to all federal financial assistance -- and to all recipients and subrecipients of DOJ awards made in FY 2017 (and in FY 2018), are these:

- **Section 601 of Title VI of the Civil Rights Act of 1964** (codified at 42 U.S.C. 2000d)
 - Statutory provision:

No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.
 - DOJ implementing regulation: Subparts C and D of 28 C.F.R. Part 42.
- **Section 504 of the Rehabilitation Act of 1973** (codified at 29 U.S.C. 794)
 - Statutory provision:

No otherwise qualified individual with a disability in the United States, as defined in [29 U.S.C. 705(20)], shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance[.]
 - DOJ implementing regulation: Subpart G of 28 C.F.R. Part 42.
- **Section 901 of Title IX of the Education Amendments of 1972** (codified at 20 U.S.C. 1681)
 - Statutory provision:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance[.]
 - DOJ implementing regulations: Subpart D of 28 C.F.R. Part 42; 28 C.F.R. Part 54.
- **Section 303 of the Age Discrimination Act of 1975** (codified at 42 U.S.C. 6102)
 - Statutory provision:

[N]o person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to

Federal Awards issued from 2022 Federal Grant Funds

discrimination under, any program or activity receiving Federal financial assistance.

DOJ implementing regulation: Subpart I of 28 C.F.R. Part 42.

7. RECIPIENTS OF OVW GRANT DOLLARS ONLY

A. Availability of general terms and conditions on OVW website

The recipient agrees to follow the applicable set of general terms and conditions that are available at <https://www.justice.gov/ovw/award-conditions>. These do not supersede any specific conditions in this award document.

B. Compliance with statutory and regulatory requirements

The grantee agrees to comply with all relevant statutory and regulatory requirements, which may include, among other relevant authorities, the Violence Against Women Act of 1994, P.L. 103-322, the Violence Against Women Act of 2000, P.L. 106-386, the Violence Against Women and Department of Justice Reauthorization Act of 2005, P.L. 109-162, the Violence Against Women Reauthorization Act of 2013, P.L. 113-4, the Omnibus Crime Control and Safe Streets Act of 1968, 34 U.S.C. §§ 10101 et seq., and OVW's implementing regulations at 28 C.F.R. Part 90.

C. VAWA 2013 nondiscrimination condition

The recipient acknowledges that 34 U.S.C. § 12291(b)(13) prohibits recipients of OVW awards from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. The recipient agrees that it will comply with this provision. The recipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

D. Confidentiality and information sharing

The grantee agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. The recipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. The grantee also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

E. Activities that compromise victim safety and recovery and undermine offender accountability

The recipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children;

Federal Awards issued from 2022 Federal Grant Funds

procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation under which the approved application was submitted..

F. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

G. Termination or suspension for cause

DCJ or the Director of OVW, upon a finding that there has been substantial failure by the recipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until DCJ or the Director is satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis.

H. Compliance with solicitation requirements

The recipient agrees that it must be in compliance with requirements outlined in the solicitation under which the approved application was submitted, the applicable Solicitation Companion Guide, and any program-specific frequently asked questions (FAQs) on the OVW website (<https://www.justice.gov/ovw/resources-and-faqs-grantees>). The program solicitation, Companion Guide, and any program specific FAQs are hereby incorporated by reference into this award.

I. Subrecipient program income

The recipient understands and agrees that it has responsibility for approval of program income earned by subrecipients. Program income, as defined by 2 C.F.R. 200.1, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance.

Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs. In order to add program income to a subaward, subrecipients must seek approval from the recipient prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the recipient must be reported by the subrecipient to the recipient so that it is reported on the quarterly Program Income Financial Report (DCJ

Federal Awards issued from 2022 Federal Grant Funds

Form 1-B) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the recipient must provide approval by the end of the project period. Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

J. Subrecipient product monitoring

The recipient agrees to monitor subrecipients to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

Federal Awards issued from 2023 Federal Grant Funds

A. INTRODUCTION [NEW FOR 2023]

Each year the Division of Criminal Justice (DCJ) performs a detailed assessment of the federal legal requirements to generate this exhibit. The DCJ has incorporated these notations into this document to call out differences from prior years. Minor changes that do not change the requirement, such as typographical errors or formatting will not be noted as a change.

1. APPLICABILITY

[Same as years: 2018, 2019, 2020, 2021, 2022]

The DCJ issues federal grants from two Department of Justice (DOJ) offices: the Office of Justice Programs (OJP) and the Office on Violence Against Women (OVW). All award conditions set out below apply to both OJP and OVW funded grants, with the exception of the conditions labeled as: "Recipients of OVW grant dollars only" or "Recipients of OJP grant dollars only" which only apply to OVW funded awards.

References to the **DOJ** apply to both OJP and OVW funded grants.

Individual awards will also include special conditions. Those additional conditions may relate to the particular statute, program, or solicitation under which the award is made; the substance of the funded application; the grantee's performance under other federal awards; the grantee's legal status (e.g., as a for-profit entity); or to other pertinent considerations.

2. RECIPIENT

[Same as years: 2018, 2019, 2020, 2021, 2022]

For the purposes of this document, the term "recipient" refers to the Legal Entity Name listed on the Division of Criminal Justice (DCJ) Grant Award Document issued to a grantee receiving federal grants funds from DCJ. The term "Recipient" and "Grantee" are interchangeable within this Exhibit.

3. ENSURING COMPLIANCE OF SUBGRANTEES (SUBRECIPIENTS)

[Same as years: 2018, 2019, 2020, 2021, 2022]

Grantee is responsible for notifying any subgrantee (subrecipient), issued under this grant, of all provisions herein. Grantee is responsible for monitoring any subgrantee (subrecipient) for compliance with all the provisions herein.

4. GENERAL CONDITIONS

B. Requirements of the award; remedies for non-compliance or for materially false statements

[Same as years: 2020, 2021, 2022]

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

OJP Awards Only: Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

Federal Awards issued from 2023 Federal Grant Funds

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Division of Criminal Justice (DCJ), Office of Justice Programs ("OJP") or Office on Violence Against Women ("OVW") taking appropriate action with respect to the recipient and the award. Among other things, the Department of Justice "DOJ" may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, and DCJ also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

C. Applicability of Part 200 Uniform Requirements

[Same as years: 2018, 2019, 2020, 2021, 2022 - except as highlighted]

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2023 award from the DOJ.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2023 award supplements funds previously awarded by DOJ under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2023 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to DOJ awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.334, 200.337.

See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Recipients of OVW grant dollars only:

The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by DOJ from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact DCJ for guidance, and may not proceed without the express prior written approval of DCJ and the DOJ awarding agency (OJP or OVW, as appropriate).

[Same as years: 2021, 2022]

If this award is a discretionary award, the recipient agrees that it will not make any subawards to State, local, college, or university law enforcement agencies unless such agencies have been certified by an approved independent credentialing body or have started the certification process. To become certified, law enforcement agencies must meet two mandatory conditions: (1) the agency's use of force policies adhere to all applicable federal, state, and local laws; and (2) the agency's use of force policies prohibit chokeholds except in situations where use of deadly force is allowed by law. For detailed information on this certification requirement, see <https://cops.usdoj.gov/SafePolicingEO>.

JJ. Authorized Official

[Same as years: 2022]

The grantee understands that, in accepting this award, the Authorized Representative declares and certifies, among other things, that he or she possesses the requisite legal authority to accept the award on behalf of the recipient entity and, in so doing, accepts (or adopts) all material requirements that relate to conduct throughout the period of performance under this award. The recipient further understands, and agrees, that it will not assign anyone to the role of Authorized Representative during the period of performance under the award without first ensuring that the individual has the requisite legal authority.

KK. Compliance with restrictions on the use of federal funds-prohibited and controlled equipment under OJP award

[New - incorporated by reference in many OJP awards made during or after May 1, 2023]

Federal Awards issued from 2023 Federal Grant Funds

Recipients of OVJP grant dollars only: Consistent with Executive Order 14074, “Advancing Effective, Accountable Policing and Criminal Justice Practices To Enhance Public Trust and Public Safety,” OJP has prohibited the use of federal funds under this award for purchases or transfers of specified equipment by law enforcement agencies. In addition, OJP requires the recipient, and any subrecipient (“subgrantee”) at any tier, to put in place specified controls prior to using federal funds under this award to acquire or transfer any property identified on the “controlled equipment list.”

The details of the requirement are posted on the OJP web site at <https://www.ojp.gov/funding/explore/prohibited-and-controlled-equipment> (Award condition: Compliance with restrictions on the use of federal funds: Prohibited and Controlled Equipment under OJP awards), and are incorporated by reference here.

5. FINANCIAL REQUIREMENTS

A. Non-supplantation

[Same as years: 2018, 2019, 2020, 2021, 2022]

The recipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

Supplanting arises when a Recipient reduces non-federal funds for an activity specifically because federal funds are available (or are expected to be available) to fund that same activity. Federal funds must be used to supplement existing State or local funds for program activities, and may not replace (that is, may not "supplant") State or local funds that have been appropriated or allocated for the same purpose. Additionally, federal funding may not replace State or local funding that is required by law.

When supplanting is prohibited, potential supplanting will be the subject of DCJ monitoring and audit. Should a question of supplanting arise, the grantee will be required to substantiate that any reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.

B. Misuse of award funds

[Same as years: 2018, 2019, 2020, 2021, 2022]

The recipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

C. Limitation on use of funds to approved activities

[Same as years: 2018, 2019, 2020, 2021, 2022]

The recipient agrees that grant funds will be used only for the purposes described in this award. The grantee must not undertake any work or activities that are not described in this award, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval from DCJ.

D. Consultant compensation rates

[Same as years: 2019, 2020, 2021, 2022]

The recipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to DCJ a detailed justification and have such justification approved by DCJ, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per

Federal Awards issued from 2023 Federal Grant Funds

day. Although prior approval is not required for consultant rates below this specified maximum rate, recipients are required to maintain documentation to support all daily or hourly consultant rates.

E. Limit on use of grant funds for grantees' employees' salaries

[Same as years: 2019, 2020, 2021, 2022]

With respect to this award, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)

This limitation on compensation rates allowable under this award may be waived on an individual basis at the discretion of the DCJ via DOJ.

6. CIVIL RIGHTS REQUIREMENTS ASSOCIATED WITH DOJ AWARDS

The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Section 504 of the Rehabilitation Act of 1973, require recipients of federal financial assistance to give assurances that they will comply with those laws. Taken together, these civil rights laws prohibit recipients of federal financial assistance from the DOJ from discriminating in services and employment because of race, color, national origin, religion, disability, sex, and, for grants authorized under the Violence Against Women Act, sexual orientation and gender identity. Recipients are also prohibited from discriminating in services because of age. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with DOJ awards, see <https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm>.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOPs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEOP requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28C.F.R. §§ 42.204(c), .205(c)(5).

The OCR is available to help you and your organization meet the civil rights requirements that are associated with DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to contact the OCR at askOCR@ojp.usdoj.gov.

The Grantee hereby agrees that it will comply, and all of its subrecipients ("subgrantees") will comply, with the applicable provisions of:

A. Civil rights laws and nondiscrimination provisions

[Same as years: 2018, 2019, 2020, 2021, 2022 - **except as highlighted**]

States and units of local government, public and nonprofit institutions of higher education, nonprofit organizations, for-profit businesses, and other recipients of DOJ grants may be subject to various federal civil rights laws for reasons *other than* their receipt of DOJ funds. Some examples include federal civil

Federal Awards issued from 2023 Federal Grant Funds

rights laws related to discrimination on the basis of race, color, national origin, sex, religion, or disability.

Because a DOJ award is a form of "federal financial assistance," the recipients of a DOJ award (and any "subrecipient" at any tier) must comply with additional civil-rights-related requirements above and beyond those that otherwise would apply.

In general, these additional requirements fall into one of two categories:

1. Civil rights laws (sometimes referred to as "cross-cutting" federal civil rights statutes). These apply to essentially any entity that receives an award of federal financial assistance -- regardless of which federal agency awards the grant or cooperative agreement -- and encompass the "program or activity" funded in whole or in part with the federal financial assistance.
2. Nondiscrimination provisions. These are requirements or restrictions that apply to certain OJP or OVW awards -- in addition to the civil rights laws -- because they are set out in a statute that applies specifically to one or more particular OJP or OVW grant programs, or to OJP or OVW awards made under a particular legal authority. Much like the civil rights laws, these provisions apply variously to the programs, activity, or undertaking funded in whole or in part by OJP or OVW, and are described herein.
 - a. Such nondiscrimination provisions apply to some, but not all, OJP or OVW grant programs.
 - b. The nondiscrimination provisions that apply to an OJP or OVW award (above and beyond the requirements in "cross-cutting" civil rights laws) may vary from award to award, even for awards made during the same fiscal year.
 - c. Typically, no more than one of these nondiscrimination provisions will apply to any particular OJP or OVW award.

General information on the civil rights laws that apply to every OJP or OVW award, and on the nondiscrimination provisions that apply to some OJP or OVW awards, is available at <https://ojp.gov/about/ocr/statutes-regulations>.

NOTE: As discussed in more detail below, if a civil rights law or nondiscrimination provision prohibits discrimination in employment on the basis of religion, the prohibition is read together with the provisions of the Religious Freedom Restoration Act of 1993.

B. Civil rights compliance: Access to services and benefits by individuals with limited English proficiency

[Same as years: 2020, 2021, 2022]

Compliance with the civil rights laws entails, among other things, taking reasonable steps to ensure that individuals with limited English proficiency (LEP) have meaningful access to DOJ-funded programs or services. An individual with limited English proficiency is one whose first language is not English and who has a limited ability to read, write, speak, or understand English. To assist recipients of DOJ awards in meeting their obligations with respect to such individuals, DOJ has published a guidance document, available on the LEP.gov website.

C. Certification

[Same as years: 2018, 2019, 2020, 2021, 2022]

Federal Awards issued from 2023 Federal Grant Funds

Each grantee by accepting this award, certifies that it will comply (and it will require any subrecipient at any tier to comply) with applicable civil rights laws and nondiscrimination provisions. An additional DCJ Form 30, will be required prior to the disbursement of any funds.

D. Nondiscrimination provisions and the Religious Freedom Restoration Act

[Same as years: 2022]

As noted earlier, a nondiscrimination provision that deals with discrimination in employment on the basis of religion is read together with the pertinent provisions of the Religious Freedom Restoration Act of 1993. As a result, even if an otherwise-applicable nondiscrimination provision states that a grantee or subrecipient may not discriminate in employment based on religion, a DOJ recipient or subrecipient that is a faith-based organization may consider religion in hiring, provided it satisfies particular requirements.

An DOJ recipient that is a faith-based organization and that seeks to consider religion in hiring despite an applicable nondiscrimination provision must properly execute and submit to DCJ a specific formal certification to DCJ to the effect that--

1. The grantee is a religious organization that sincerely believes that providing the programs or services funded by the DOJ award is an expression of its religious beliefs, that employing individuals of particular religious belief is important to its religious exercise, and that having to abandon its religious hiring practice to receive federal funding would substantially burden its religious exercise.
2. The grantee will not discriminate against beneficiaries (or prospective beneficiaries) of the programs or services funded by the DOJ award on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.
3. The grantee will keep any explicitly religious activities separate in time or location from programs or services funded by the DOJ award.
4. The grantee will not require beneficiaries (or prospective beneficiaries) of programs or services funded by the DOJ award to attend or participate in any explicitly religious activities. Any such participation will be purely voluntary.

To make the required certification, an appropriate, authorized official of the grantee organization must execute the [Certification Regarding Hiring Practices on the Basis of Religion](#) on behalf of the grantee. A copy of the executed certification must be submitted to DCJ. The grantee must retain the signed original on file as part of its records for the DOJ award.

An DOJ recipient that executes and submits a certification that satisfies these requirements ordinarily may consider religion in hiring. Different rules may apply, however, if there is good reason to question the truthfulness of the certification, or if DCJ determines that it is necessary to restrict the recipient from considering religion in hiring to further a compelling government interest. (If DCJ makes such a determination, the DCJ may impose limitations that represent the least restrictive means of furthering the compelling government interest.)

The rules that apply to subrecipients of DOJ awards that are faith-based organizations are similar, except that the subrecipient is to submit the required certification to the grantee.

E. Overview of "Civil Rights Laws"

If the initial Award is below \$30,000 but subsequent Award modifications result in a total Award of \$30,000 or more, the Award is subject to the reporting requirements as of the date the Award exceeds \$30,000. If the initial Award is \$30,000 or more, but funding is subsequently de-obligated such that the total award amount falls below \$30,000, the Award shall continue to be subject to the reporting requirements.
- 7.2. The procurement standards in §9 below are applicable to new Awards made by Recipient as of December 26, 2015. The standards set forth in §11 below are applicable to audits of fiscal years beginning on or after December 26, 2014.

- 9.1. Procurement Procedures. A Subrecipient shall use its own documented procurement procedures which reflect applicable State, local, and Tribal laws and applicable regulations, provided that the procurements conform to applicable Federal law and the standards identified in the Uniform Guidance, including without limitation, 2 CFR 200.318 through 200.327 thereof.

2024 State Controller Federal Provisions

- 9.2. Domestic preference for procurements (2 CFR 200.322). As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.
- 9.3. Procurement of Recovered Materials. If a Subrecipient is a State Agency or an agency of a political subdivision of the State, its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247, that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
- 9.4. Never contract with the enemy (2 CFR 200.215). Federal awarding agencies and recipients are subject to the regulations implementing “Never contract with the enemy” in 2 CFR part 183. The regulations in 2 CFR part 183 affect covered contracts, grants and cooperative agreements that are expected to exceed \$50,000 within the period of performance, are performed outside the United States and its territories, and are in support of a contingency operation in which members of the Armed Forces are actively engaged in hostilities.
- 9.5. Prohibition on certain telecommunications and video surveillance services or equipment (2 CFR 200.216). Subrecipient is prohibited from obligating or expending loan or grant funds on certain telecommunications and video surveillance services or equipment pursuant to 2 CFR 200.216.

10. ACCESS TO RECORDS.

- 10.1. A Subrecipient shall permit Recipient and its auditors to have access to Subrecipient’s records and financial statements as necessary for Recipient to meet the requirements of 2 CFR 200.332 (Requirements for pass-through entities), 2 CFR 200.300 (Statutory and national policy requirements) through 2 CFR 200.309 (Period of performance), and Subpart F-Audit Requirements of the Uniform Guidance.

11. SINGLE AUDIT REQUIREMENTS.

- 11.1. If a Subrecipient expends \$750,000 or more in Federal Awards during the Subrecipient’s fiscal year, the Subrecipient shall procure or arrange for a single or program-specific audit conducted for that year in accordance with the provisions of Subpart F-Audit Requirements of the Uniform Guidance, issued pursuant to the Single Audit Act Amendments of 1996, (31 U.S.C. 7501-7507). 2 CFR 200.501.
 - 11.1.1. Election. A Subrecipient shall have a single audit conducted in accordance with Uniform Guidance 2 CFR 200.514 (Scope of audit), except when it elects to have a program-specific audit conducted in accordance with 2 CFR 200.507 (Program-specific audits). The Subrecipient may elect to have a program-specific audit if Subrecipient expends Federal Awards under only one Federal program (excluding research and development) and the Federal program’s statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of Recipient. A program-specific audit may not be elected for research and development unless all of the Federal Awards expended were received from Recipient and Recipient approves in advance a program-specific audit.

2024 State Controller Federal Provisions

11.1.2. Exemption. If a Subrecipient expends less than \$750,000 in Federal Awards during its fiscal year, the Subrecipient shall be exempt from Federal audit requirements for that year, except as noted in 2 CFR 200.503 (Relation to other audit requirements), but records shall be available for review or audit by appropriate officials of the Federal agency, the State, and the Government Accountability Office.

11.1.3. Subrecipient Compliance Responsibility. A Subrecipient shall procure or otherwise arrange for the audit required by Subpart F of the Uniform Guidance and ensure it is properly performed and submitted when due in accordance with the Uniform Guidance. Subrecipient shall prepare appropriate financial statements, including the schedule of expenditures of Federal awards in accordance with 2 CFR 200.510 (Financial statements) and provide the auditor with access to personnel, accounts, books, records, supporting documentation, and other information as needed for the auditor to perform the audit required by Uniform Guidance Subpart F-Audit Requirements.

12. REQUIRED PROVISIONS FOR SUBRECIPIENT WITH SUBRECIPIENTS OR SUBCONTRACTORS.

12.1. In addition to other provisions required by the Federal Awarding Agency or the Recipient, Subrecipients shall include all of the following applicable provisions;

12.1.1. For agreements with Subrecipients – Include the terms in the Grant Federal Provisions Exhibit (this exhibit)

12.1.2. For contracts with Subcontractors – Include the terms in the Contract Federal Provisions Exhibit.

13. CERTIFICATIONS.

13.1. Unless prohibited by Federal statutes or regulations, Recipient may require Subrecipient to submit certifications and representations required by Federal statutes or regulations on an annual basis. 2 CFR 200.208. Submission may be required more frequently if Subrecipient fails to meet a requirement of the Federal award. Subrecipient shall certify in writing to the State at the end of the Award that the project or activity was completed or the level of effort was expended. 2 CFR 200.201(3). If the required level of activity or effort was not carried out, the amount of the Award must be adjusted.

14. EXEMPTIONS.

14.1. These Federal Provisions do not apply to an individual who receives an Award as a natural person, unrelated to any business or non-profit organization he or she may own or operate in his or her name.

14.2. A Subrecipient with gross income from all sources of less than \$300,000 in the previous tax year is exempt from the requirements to report Subawards and the Total Compensation of its most highly compensated Executives.

15. EVENT OF DEFAULT AND TERMINATION.

15.1. Failure to comply with these Federal Provisions shall constitute an event of default under the Grant and the State of Colorado may terminate the Grant upon 30 days prior written notice if the default remains uncured five calendar days following the termination of the 30-day notice period. This remedy will be in addition to any other remedy available to the State of Colorado under the Grant, at law or in equity.

15.2. Termination (2 CFR 200.340). The Federal Award may be terminated in whole or in part as follows:

2024 State Controller Federal Provisions

- 15.2.1. By the Federal Awarding Agency or Pass-through Entity, if a Non-Federal Entity fails to comply with the terms and conditions of a Federal Award;
- 15.2.2. By the Federal awarding agency or Pass-through Entity, to the greatest extent authorized by law, if an award no longer effectuates the program goals or agency priorities;
- 15.2.3. By the Federal awarding agency or Pass-through Entity with the consent of the Non-Federal Entity, in which case the two parties must agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated;
- 15.2.4. By the Non-Federal Entity upon sending to the Federal Awarding Agency or Pass-through Entity written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if the Federal Awarding Agency or Pass-through Entity determines in the case of partial termination that the reduced or modified portion of the Federal Award or Subaward will not accomplish the purposes for which the Federal Award was made, the Federal Awarding Agency or Pass-through Entity may terminate the Federal Award in its entirety; or
- 15.2.5. By the Federal Awarding Agency or Pass-through Entity pursuant to termination provisions included in the Federal Award.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, CDPS Contracts and Grants (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact CDPS Contracts and Grants:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: sarah.white@state.co.us

To advise CDPS Contracts and Grants of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at sarah.white@state.co.us and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from CDPS Contracts and Grants

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to sarah.white@state.co.us and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with CDPS Contracts and Grants

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to sarah.white@state.co.us and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:
