

List Of Climate Action Task Force Recommendations with Board Comments

	In Current Work Plan - Work Group Lead	Board Input approve as is/with noted considerations/do not approve)					Comments From Board
		TAB	SAB	PRAB	Water	LDDA	
Adaptation & Resilience							
AR.1) Public Health			3/1/0	6/1/0			SAB -Look for successful examples, PRAB - consider nature based solutions, air conditions could exacerbate the problem
AR.2) Water Conservation	Water Resources	5/0/0	1/3/0	0/7/0	0/0/4		SAB, PRAB & Water Board-Arbitrary, Unachievable, Want more analysis TAB-concerned about landscape impacts
AR.3) Flooding Mitigation and Preparedness	PW Eng		1/3/0				SAB-Already exists, AR.1 and AR.2 are higher priorities
Building Energy Use							
BE.1) Building Codes	Planning		1/2/1				SAB-Concern with cost and equity impacts of adding electric requirements to code
BE.2) Electrification	LPC		3/1/0				SAB-When electricity is closer to 100% renewable
BE.3) Commercial Building Benchmarking	LPC		4/0/0				
BE.4) Commercial Efficiency and Rebates	LPC		4/0/0				
BE.5) Increase Residential Efficiency Works	LPC		3/1/0				
BE.6) Expand Low-Income Residential Efficiency	LPC		4/0/0				
BE.7) Climate Action Fund Program & Staff			3/1/0				
Education & Outreach							
EO.1) Comprehensive Workforce Development			4/0/0				SAB-Look at Marketplace need, FRCC take lead
EO.2) “Big Picture” Climate Lecture Series			2/2/0				SAB-Would only target those that are already informed
EO.3) Climate Change Article Series			3/1/0				SAB-Would only target those that are already informed

List Of Climate Action Task Force Recommendations with Board Comments							
	In Current Work Plan - Work Group Lead	Board Input approve as is/with noted considerations/do not approve)					Comments From Board
		TAB	SAB	PRAB	Water	LDDA	
EO.4) Longmont Museum Teaching Exhibit			3/1/0				
EO.5) Community Sustainability Liaison Program			3/1/0				
Land Use & Waste Management							
LW.1) Extending Agricultural Zoning		1/3/0 2/5/0					SAB-Band-aid solution, need to address loss of local Agricultural Land, PRAB - interesting concept but needs more details on how it will be implemented
LW.2) Commercial & Residential Composting			3/1/0				SAB-Start with commercial recycling
LW.3) Downtown Pay for Parking		3/2/0	0/0/4			*	LDDA and TAB in favor in future post-COVID and when more alternative modes options, SAB was not in favor
Renewable Energy							
RE.1) Smart Meters	LPC		3/0/1				
RE.2) Home Energy Management Systems	LPC		0/4/0				Expensive improvement, focus on efficiency
RE.3) Energy Savings Program	LPC		0/4/0				Expensive improvement, focus on efficiency
RE.4) Carbon-Intensity Signaling Protocols			4/0/0				
RE.5) Distributed Energy Resources	LPC		4/0/0				
Transportation							
T.1) Checkpoint / Flexible Bus Services		4/1/0	4/0/0				
T.2) Electric Vehicle Charging Infrastructure	LPC, PW Eng	5/0/0	2/0/2				SAB-Focus on bikeways and transit, equity concerns, TAB - City should not provide free charging, 20 seems low
