SUBJECT/AGENDA TITLE:

A Resolution Of The Longmont City Council Approving The Business Lease Between The City And Dennis L. Bloemker And Carolyn A. Bloemker For 500 Kimbark Street, Suite 101

EXECUTIVE SUMMARY:

Public Safety has been awarded multiple grants to support behavioral health and substance use support in our community via Longmont Public Safety's LEAD and CORE programs. To accommodate some of the staff that were hired under these grants, Public Safety leased this office space and would like to expand the leased space to the adjoining unit as well as make the necessary renovations to accommodate this expansion. Additionally, the State Office of Behavioral Health commented on our grant proposal that they feel that the Peer Support Specialists and Case Management Supervisor that were hired under the grants will be operationally better off not stationed at a City facility.

COUNCIL OPTIONS:

1. Authorize the Mayor to sign the lease, or do not authorize the mayor to sign the lease.

RECOMMENDED OPTIONS:

Authorize the Mayor to sign the lease.

FISCAL IMPACT & FUND SOURCE FOR RECOMMENDED ACTION:
